*Annual Survey and Analysis of 16 Million Monthly Users  
Reveals Top-Rated Building, Remodeling and Design Professionals*

Atlanta, GA – February 20, 2014 – Epic Development of Atlanta has been awarded “Best Of Houzz” 2014 in Design by Houzz, the leading online platform for residential remodeling and design, for the second year in a row. Epic Development, an Atlanta-based full service residential and light commercial contractor that offers design/build services with an emphasis on design, was chosen by the more than 16 million monthly users that comprise the Houzz community.

The Best Of Houzz award is given in two categories: Customer Satisfaction and Design. Customer Satisfaction honors are determined by a variety of factors, including the number and quality of client reviews a professional received in 2013. Design award winners' work was the most popular among the more than 16 million monthly users on Houzz, known as “Houzzers,” who saved more than 230 million professional images of home interiors and exteriors to their personal idea books via the Houzz site, [iPad/iPhone app](#) and [Android app](#). Winners will receive a “Best Of Houzz 2014” badge on their profiles, showing the Houzz community their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

According to Rick Bennett, principal in charge of design and construction at Epic Development, “We are thrilled with this honor to be recognized by the Houzz community for two years in a row. Epic Development strives every day to deliver projects with the most innovative and compelling design regardless of the architectural style. The Houzz Award, with its international draw of users, is a validation on a much larger scale that we are meeting those goals.”
