Epic Development of Atlanta Receives Houzz's 2015 'Best Of Houzz' Award

Over 25 Million Monthly Unique Users Rated Top-Rated Home Building, Remodeling and Design Professionals in the United States and Around the World

Atlanta, GA – January 29, 2015 – Epic Development of Atlanta has been awarded “Best Of Houzz” 2015 for Design by [Houzz](#), the leading platform for home remodeling and design. Epic Development, a market leader in residential design and custom construction in the Atlanta area, was chosen by the more than 25 million monthly unique users that comprise the Houzz community from among more than 500,000 active home building, remodeling and design industry professionals.

According to Rick Bennett, principal in charge of design and construction at Epic Development, “We are honored to be recognized by the Houzz community for three years in a row. Epic Development strives every day to deliver projects with the most innovative and compelling design regardless of the architectural style. The Houzz Award, with its international draw of users, is a validation on a much larger scale that we are meeting those goals.”

Epic Development is a design driven construction company in the Atlanta area. The company's focus is on new construction and large scale renovations. Many of its homes are designed by principal, Rick Bennett, and each home built is a unique, custom design that will not be built a second time.

“Houzz provides homeowners with a 360 degree view of home building, remodeling and design industry professionals, empowering them to engage the right people and products for their project,” said Liza Hausman, vice president of industry marketing for Houzz. “We’re delighted to Epic Development among our “Best Of” professionals as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”

With Houzz, homeowners can identify not only the top-rated professionals like Epic Development, but also those whose work matches their own aspirations for their home. Homeowners can also evaluate professionals by contacting them directly on the Houzz platform, asking questions about their work and reviewing their responses to questions from others in the Houzz community.
